

**ROMEO GOLF LEAGUE**  
**(RETIRED OLD MEN ENJOYING OUTDOORS)**

**WHERE:** Falcon Valley Golf Course  
9801 Falcon Valley Drive  
Lenexa, KS 66220-9748  
Phone 913-780-5976

**WHEN:** Every Tuesday 9:00 A.M. beginning March 31<sup>st</sup> through October 20<sup>th</sup> 2020,

League will have very relaxed rules as explained below. Individuals will play with **handicaps earned by playing in the league** from the **white tees for nine holes**. Red tees can be played with your earned red tee handicap if you normally play them due to age or disability. New players joining the league and guests will be asked their handicap for 9 holes and will receive 80% of it. As they and members play in the future their handicaps will adjust. The course will determine pairings so you will be golfing with different individuals each week. **It is imperative that you arrive fifteen minutes before tee time so the game of the day and pairings can be completed. If you arrive later you may be placed in the tardy group.**

**Cost will be \$25 green fee for non-passholders. There is a \$25 entry fee** to be paid on sign-up. This will go back to league members in the form of food, drink and prizes at the end of league play. If you want to play 18 holes, an additional discounted **replay fee** is charged. You are responsible to make your own tee times for those nine holes.

Each week **\$5** will be submitted by each player as prize money for that days golf with 100% payout. Payout will be in the form of Falcon Valley gift cards. Games will vary each week and may include closest to the hole, longest putt, longest drive, low net, low gross, two man scramble, four man scramble, etc.

**RULES:**

Basically winter rules with explanations.

Always play ball up.

You can move ball one club length within the same terrain but not closer to the hole. You cannot move ball from the rough to fairway under this rule.

If ball is hit out of bounds or is lost, play a ball on line of flight or within two club lengths from where it left play or lost and take one stroke penalty.

Play ball out of hazards (creeks and ponds) or take one stroke penalty and up to two club lengths, not closer to the hole. Play ball in sand trap as they lie.

Putt all balls in hole.

Scorecards will be kept for the opponents by the opposing cart when playing. Each score card will have the last names of the players and their handicap listed next to their name. Gross and net scores for each hole will be entered when a net game is played. The score will be totaled for each player on the card, gross and net.

Maximum score for a hole is three over par using handicap. EXAMPLE: If it is a par 4 and you get one stroke the maximum strokes you would take on that hole is eight for gross and seven for net.

Complimentary drive is allowed on first tee. If second is taken you get your choice of drives.

If this sounds like a league you wish to play in please prepare the entry form below with the necessary information and \$20 payable to the Falcon Valley Golf Course and send it to the address at the top of this document as soon as possible. If you want more information, call Dean or Paul at the course.
